

## RULES OF PLAY

Alberta Health Services (AHS) employees are eligible to purchase tickets through the Covenant DreamLife Lottery payroll deduction program. AHS employees can only opt-in online at DreamLifeLotteryPayroll.WIN. AHS employees are not able to opt-in to the payroll deduction program through dreamlifelottery.win, by phone, kiosk, mail, or at the lottery dream homes.

Purchased tickets through DreamLifeLotteryPayroll.WIN will be deducted from AHS payroll on August 12, August 26, September 9, and September 23, 2020. These payment deductions will occur provided that the ticket-processing centre is able to validate the AHS employee ID and the opt-in request was made prior to the payroll deduction deadline of **July 29, 2020**.

Please note that those who purchase through payroll deduction will not be eligible for the Loyalty Prize and Bonus Prize, as deductions will not be processed prior to their deadlines. If an AHS employee would like to be eligible for the Loyalty or Bonus prize, they must purchase their tickets through one of the Covenant DreamLife Lottery public sales options.

If you purchase Covenant DreamLife Lottery tickets through the payroll deduction program you are **eligible** for these prize deadlines:

- Early Bird Prize Deadline: September 30
- Final Deadline: October 22

In the event a payment defaults and is unable to be processed during the above listed payroll periods, a lottery ticket will not be issued, and the AHS employee will be refunded for any payments that were taken prior to the defaulted payment.

Individual ticket numbers are generated and issued once **all four** payments have been received. Individuals will be entered into the lottery draw once tickets numbers are generated. Lottery numbers are sent by mail or email depending on which communication method was selected at checkout.

Email communication will only ever be sent from the Covenant DreamLife Lottery email, inquiries@dreamlifelottery.win. For more information regarding privacy and protection against fraud, read our Privacy Policy [here](#).

\*The final day to opt-in to the Full House Lottery payroll deduction program is **July 29, 2020**. Lottery tickets outside of the payroll deduction program can be purchased until midnight, **October 22, 2020**.
